HEADACHE DRUG CAUSED DEATH

Mrs. Pattie Green Crawford, daughter of the late Thomas M. Green of this city, found dead in her apartment in Louisville.

Mrs. Pattie Green Crawford, 43 years old, wife of Dr. Clarence K. Crawford and a member of a prominent Kentucky family, was found dead in her apartment at the Cortlandt, Calvaryville, by her husband at 5 o'clock Monday afternoon. An investigation conducted by her husband and Acting Coroner William Kammerer developed that a maid had been sent for a headache drug at 3 o'clock in the afternoon, an overdose of the drug is believed to have been taken by the patient and a verdict to this effect was given by the coroner.

According to Dr. Crawford, who for many years was a member of the faculty at the Presbyterian Theological Seminary, his wife had been in ill health for the past two years. During that time two major operations were performed on Mrs. Crawford, leaving her in an extremely nervous state.

Suffered constantly Dr. Crawford said his wife suffered constantly from violent headaches during the spring, and that for the past five days she had been confined to her bed. She was attended by Dr. Charles K. Beck during her recent illness, who prescribed a medicine for the relief of the headaches. Dr. Crawford said his wife had used most of this medicine the day before, which probably caused her to send out for a relief Monday afternoon.

Following a talk over the telephone at 1:30 o'clock Monday afternoon, Dr. Crawford said he attended to some unfinished business and reached the apartment about 5 o'clock. Mrs. Crawford was found dead in bed. A coal tar preparation for headaches was found on a table at her bedside. Dr. Crawford said he usually administered the headache medicine himself, fearing that his wife would take too large a dose when suffering extreme pain.

Daughter of Editor Dr. Crawford remarked that as a strange coincidence, Mrs. Nannie Butler, Mrs. Crawford's mother, was the victim of headaches quite similar to that suffered by his wife, which resulted in her death thirty years ago.

Mrs. Crawford was born in Maysville, Ky., and was the daughter of Thomas M. Green, for many years editor of the Maysville Eagle. When Mrs. Crawford was 18 years old the family moved to Danville, Ky., and it was there that she met and married Dr. Crawford, who was a professor at the Presbyterian Theological Seminary.

With the removal of the seminary to Louisville in 1901, the family took up their residence in this city.

Mrs. Crawford was well known in church circles throughout the State. Besides her husband, she is survived by two daughters, Miss Jane Walton Crawford, a student at Kentucky University, Lexington, Ky., and Miss Nancy Butler Crawford, a junior at the Louisville Girls' High School; also two sisters, Miss Lettie Green and Miss Nannie Green, of Danville.

The body was taken to Danville, Ky., where the funeral was held Wednesday morning.

PLANS MADE

By the Special Events Committee For the Coming Tobacco Fair and Corn Show Yesterday Afternoon—Many Prizes for Exhibits.

The Special Events Committee of the Chamber of Commerce held a meeting in First Standard Bank yesterday afternoon and laid plans for the coming Tobacco Fair and Corn Show. The committee seemed very enthusiastic over the success of the fair.

The Tobacco Fair and Corn Show will be held in the Liberty Warehouse on Commerce street, November 23, 24 and 25. These dates will not be changed. All exhibits and shows will be placed in this building which is large enough to accommodate quite a number of them.

Prizes will be offered for the best exhibits, firsts and seconds in every case. These prizes will be money and some of the merchants of the city have signified their intention to offer additional prizes. In tobacco prizes will be offered on the following grades of the leaf: cigar leaf, bright leaf, red leaf and trash. Handsome prizes will be offered for the best exhibits in each grade.

In the corn exhibit a total of sixteen prizes will be given. Ten ears of white and ten of yellow will be awarded first and second prizes each, while the most perfect ear in white and also yellow will be awarded first and seconds. The same number will be allowed for boys corn.

General farm products, fruits, vegetables, etc., will be awarded cash prizes.

A woman's department will doubtless draw a great many specimens of cakes, candies, preserves, etc. The ladies are especially invited to make exhibits.

A fine prize will be offered for the best business booth display. Prizes will also be offered for the best school exhibits.

On Saturday a big school parade will be held on the streets and a prize either in the shape of a loving cup or money, will be offered to the department making the best showing. If a loving cup is offered it will be held by the department winning until next year, when it will again be competed for.

The matter of having an automobile parade was discussed by the committee but no arrangement was made for the same.

At least two bands will be present for the entire three days festivities, and, if possible, another band may be present.

On Saturday night the Mardi Gras will be held. Everyone will be expected to mask and suitable prizes will be given to the most attractive of the unique. This will be a gala night.

An admission of ten cents will be charged to gain entrance to the Liberty Warehouse, the scene of the exhibits.

Less than a month now remains to complete the plans for the fair and to make ready the exhibits. All of the farmers in the county are urged to pick out their choicest products and bring them to the fair. All Maysville people will be expected as far as possible to mask on Saturday night and at all times to be in the spirit of the fair. Co-operation between the Chamber of Commerce and the people of the city and county will count much toward making the fair a success and all should work to make the fair excel anything of its like in the section of the country. Lay up the banners and put on boasting clothes and the fair will be a success. EVERYBODY BOOST.

ATTENTION SUFFRAGISTS

The Mason County Woman Suffrage League will meet Friday, October 27, 2:30 p. m. at the Public Library for the annual election of officers. Delegates will be chosen to the annual convention of the Kentucky Equal Rights Association to be held in Louisville November 15 and 16. Other important business will be attended to. Every one who has signed a suffrage card is a member of the League and should be present. Every one who believes that women should have the right that protects every other right, that women should recognize civic duty and accept civic responsibility, is eligible for membership in the league and is cordially invited to attend this meeting.

ALL SCHOOLS HAVE MUSIC

Yesterday afternoon Superintendent W. J. Caplinger and Miss Elizabeth Williams, supervisor of music in the schools, placed a Victrola in the Sixth Ward building and gave the pupils some lessons in marching to the music played by this instrument. A large machine has been installed in the First District building. All of the white schools now have music in the buildings as the High School and Forest avenue school have pianos. The pianos and Victrolas have been purchased with money made in entertainments and the lyceum course.

WILL BE OUT SOON

The new telephone directory has been sent to the publishers in Louisville and will be ready for distribution in about three weeks. The officials of the company had hoped to have it ready for distribution by the first of November but they were somewhat delayed in preparing the copy for the same. There has been a need of a new book for some time and this will fill the want.

MILEAGE GOES UP

Train fares are to cost more to all points west of the Mississippi river beginning November 15, due to an increase of one-half cent a mile put in effect by the Southeastern Passenger Association.

The Atlas Coal Company has in its yard pulverized limestone at \$1.40 per ton. Can be had at this price if called for at once.

HUGHES APPEALS TO YOUNG AMERICANS

New York, October 25.—Charles E. Hughes tonight told an audience in the Academy of Music, Brooklyn, why, in his opinion, the young men of the Nation should support the Republican ticket at the next election. Five chief reasons were cited in answer to the question:

"What sort of country does Young America, vibrant with patriotism, desire?"

Mr. Hughes answered the question, in part, as follows:

"First, he wants a country respected throughout the world. He wants a country, which respects the dignity of its citizenship."

"Second, Young America must desire a country that is prepared for every emergency."

"Third, Young America, looking ahead, must desire that when peace is once more restored we shall contribute to its maintenance by doing our proper share to secure a practicable and effective international organization in the interests of peace."

"Fourth, Young America wants government in the open, by visible constitutional instruments, not by unofficial spokesmen or invisible authority. He also wants a government not sectional, but truly national."

"Fifth, Young America wants industrial preparedness."

PROTECTS PROPERTY

Mr. Reese Wallingford of Carmel street yesterday secured a great deal of excitement in that section of the city when he ordered employees of the Street Car Company from what he claimed was his property. The men were preparing to set a pole for the Street Car Company when Mr. Wallingford, appearing on the scene with a couple of pistols ordered them to cease their work. The men complied but went to see the officials concerning the act. The city engineer will run a line to determine whether or not Mr. Wallingford was acting within his rights or not.

DROPPED DEAD

Mr. Joseph Cochran Expired Suddenly at His Home in the County This Morning.

Mr. Joseph Cochran, an aged resident of this county, died at his home about five miles south of this city this morning.

Mr. Cochran was in his usual good health, and had just seated himself before the fire in his room, when he was suddenly stricken and fell over. Medical aid was summoned, but he died before it reached him.

He was the father of Squire John Cochran of Hilltop and was one of the substantial farmers of this county.
